1552.211-79 Compliance with EPA policies for information resources management.

As prescribed in 1511.011-79, insert the following clause:

COMPLIANCE WITH EPA POLICIES FOR INFORMATION RESOURCES MANAGEMENT

(a) *Definition.* Information Resources Management (IRM) is defined as any planning, budgeting, organizing, directing, training, promoting, controlling, and managing activities associated with the burden, collection, creation, use and dissemination of information. IRM includes both information itself and the management of information and related resources such as personnel, equipment, funds, and technology. Examples of these services include but are not limited to the following:

(1) The acquisition, creation, or modification of a computer program or automated data base for delivery to EPA or use by EPA or contractors operating EPA programs.

(2) The analysis of requirements for, study of the feasibility of, evaluation of alternatives for, or design and development of a computer program or automated data base for use by EPA or contractors operating EPA programs.

(3) Services that provide EPA personnel access to or use of computer or word processing equipment, software, or related services.

(4) Services that provide EPA personnel access to or use of: Data communications; electronic messaging services or capabilities; electronic bulletin boards, or other forms of electronic information dissemination; electronic record-keeping; or any other automated information services.

(b) *General.* The Contractor shall perform any IRM-related work under this contract in accordance with the IRM policies, standards, and procedures set forth on the Office of Environmental Information policy Web site. Upon receipt of a work request (*i.e.* delivery order, task order, or work assignment), the Contractor shall check this listing of directives. The applicable directives for performance of the work request are those in effect on the date of issuance of the work request. The 2100 Series (2100-2199) of the Agency's Directive System contains the majority of the Agency's IRM policies, standards, and procedures.

(c) *Section 508 requirements (accessibility).* Contract deliverables are required to be com-

1552.213-70 Notice to suppliers of equipment.

As prescribed in 1513.507(b), the Contracting Officer shall insert the following contract clause in orders for or lease of commercially available equipment.

NOTICE TO SUPPLIERS OF EQUIPMENT (APR 1984)

(a) It is the general policy of the Environmental Protection Agency that Contractor or vendor prescribed leases or maintenance agreements for equipment will NOT be executed.

(b) Performance in accordance with the terms and conditions of the vendor's commercial lease, or customer service maintenance agreement, unless specified in the Schedule, may render the vendor's performance unacceptable, thereby permitting the Government to apply such contractual remedies as may be permitted by law, regulation, or the terms of this order.

1552.214-71 Contract award—other factors—formal advertising.

As prescribed in 1514.201-6(b), insert the following solicitation provision in invitations for bids (IFB) when it is appropriate to describe other factors that will be used in evaluating bids for award. This provision is used to describe the other factors mentioned in the solicitation provisions "Contract Award—Formal Advertising" (FAR 52.214-10), and "Contract Award—Construction" (FAR 52.214-19). All other evaluation provisions in the IFB (e.g., evaluation of options) should be cross-referenced in this provision. The other
